### Explorations

GSWS students take up independent research projects, teaching assistantships, and community internships

#### ABOUT THE PROGRAM

GSWS is an interdisciplinary academic program focusing on excellence in teaching and research relating to gender, sexuality, and women. The program is committed to anti-racist pedagogy and scholarship and actively supports campus efforts to make Pitt's curriculum and research activity more inclusive and diverse. GSWS brings together faculty, students, and community members for collaboration and intellectual exchange.
