August 23, 2022

Meet the Graduate Studies Team

Amanda J. Godley

Vice Provost for Graduate
Studies

VPGodley@pitt.edu

Graduate Studies Mission

Our mission is to:

- Build and maintain exceptional academic programs and research opportunities in partnership with schools and units.
- Support the growth and success of all graduate and professional students throughout their academic experiences and career pathways.
- Advance equity, diversity and inclusion.
- Contribute to the strength of the University through continuous improvement in academic climate, research, student satisfaction and outcomes, and institutional reputation.

Who is GPSG?

- The student government for all graduate and professional students at the University of Pittsburgh!
- We administer half of the graduate student activity fee to provide services and event programming to all graduate and professional students.

Represent all graduate and professional students

What is our mission?

- Improve communication between graduate students and the University
- Represent graduate students on University-wide committees
- Advocate for graduate students at the University, state, and national level
- Provide services to graduate students

Services we provide

- Social events for graduate professional students
- Travel grants for students presenting at conferences
- Advocacy grants for students participating in advocacy conferences
- Supplemental funding to student organizations
- Free legal services
- Opportunities to serve on University wide committees

See us again!

- **Coffee Hour: Thursday, September 15th**
 - 11am - 1 pm WPU, Lower Lounge
- **First AB Meeting:**
 - September; Date will be posted on social media

Stay connected!
