

Contextual decision making and action enforcing applications in IoT using SDN

Maryam Karimi (mak322@pitt.edu)

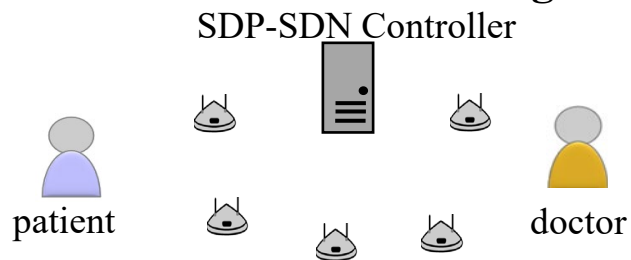

SDN: Software Defined Network

SDP: Software Defined Perimeter

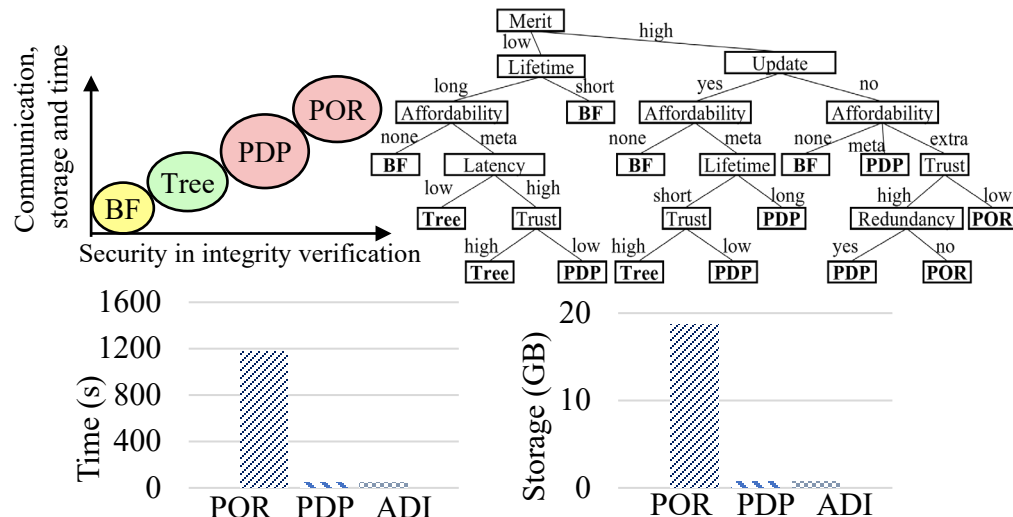

1. Wireless Traffic Management

Delay	Min	Mean	Max	Loss
Old	7.04	430	3133	6.25
New	7.13	277	2401	5.25

2. Ambit of Data Integrity

3. Ambit of Data Reliability
